Institute

SUPPLEMENTAL DECLARATION FOR PATENT APPLICATION

This Declaration is made by Frank D. Guffey and Floyd Alan Barbour.

I, Frank D. Guffey, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is: 5905 Chapparall Drive, Laramie, WY 82070.

I, Floyd Alan Barbour, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is: 327 Lake Hattie Road, Laramie, WY 82070.

We believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled an "Process for Waste Plastic Recycling", the specification and any amendments of which has been provided to us at or prior to the time of signing this declaration.

We also believe that we are the original, first, and joint inventors of the subject matter:

- United States Application Number 08/028,644 filed March 10, 1993 entitled "Process for Waste Plastic Recycling" (now abandoned), and
- PCT Application Number PCT/US94/02433, filed on 08 March 1994, entitles "Process for Waste Plastic Recycling" designating the United States of America; and also
- United States Application Number 08/525,639 filed September 6, 1995 entitled "Process for Waste Plastic Recycling" (now issued at US patent number 5,753,086).

We hereby claim the benefit under Title 35, United States Code §120 of United States Application Number 08/028,644 filed March 10, 1993, now abandoned; PCT Application Number PCT/US94/02433, filed on 08 March 1994; and United States Application Number 08/525,639 filed September 6, 1995.

We hereby declare that the above entitled specifications and any amendments are intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. We also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate.

We hereby state that we have reviewed and understand the contents of the specification entitled "Process for Waste Plastic Recycling", including any claims, and including any amendments provided to us at or prior to the time of signing this declaration.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
